

Knowledge Partnership Agreement
International Society for Quality in Health Care (ISQua)
and
**Republican Public Association “Association of Medical Workers, Independent
Experts and Veterans in Healthcare ‘SHARAPAT’”**

Purpose of Agreement

The International Society for Quality in Health Care (ISQua) is pleased to partner with **Republican Public Association “Association of Medical Workers, Independent Experts and Veterans in Healthcare ‘SHARAPAT’”** as a Knowledge Partner for the international scientific-practical conference **“From Diagnosis to Outcomes: International Quality Standards and Patient Safety as a Source of Competitive Advantage for Healthcare Organizations”**, taking place on **26–27 March 2026** in **“Beijing Palace Soluxe Hotel Astana,” 45 Syganak St./ hybrid format.**

This agreement sets out the principles and commitments of both parties regarding collaboration for the above conference.

About the Partners

ISQua

ISQua’s mission is to inspire and drive improvement in the quality and safety of healthcare worldwide through education and knowledge sharing, external evaluation, supporting health systems, and connecting people through global networks.

Our vision is to be the global leader of transformation in healthcare quality and safety.

Republican Public Association “Association of Medical Workers, Independent Experts and Veterans in Healthcare ‘SHARAPAT’”

The mission of **Republican Public Association “Association of Medical Workers, Independent Experts and Veterans in Healthcare ‘SHARAPAT’”** is to: improve the quality and safety of healthcare in the Republic of Kazakhstan through the systematic implementation and localization of international quality standards, development of independent expertise, education and accreditation, and fostering a culture of patient safety and accountability among healthcare providers.

Common Purpose

Both organisations share a commitment to advancing quality and safety in healthcare. Through this Knowledge Partnership, ISQua and **Republican Public Association “Association of Medical Workers, Independent Experts and Veterans in Healthcare ‘SHARAPAT’”**

aim to:

- Promote the exchange of knowledge and expertise in healthcare quality and safety
- Support high-quality educational content within the conference programme
- Increase global collaboration and networking opportunities
- Amplify the reach and impact of the conference for the benefit of the international healthcare community

Scope of the Knowledge Partnership

As an official Knowledge Partner for the international scientific-practical conference **“From Diagnosis to Outcomes: International Quality Standards and Patient Safety as a Source of Competitive Advantage for Healthcare Organizations”**, ISQua and **Republican Public Association “Association of Medical Workers, Independent Experts and Veterans in Healthcare ‘SHARAPAT’”**

agree to collaborate in the following ways:

ISQua will:

- Be recognised as a Knowledge Partner of the conference on relevant promotional materials
- Promote the conference to the ISQua global community through:
 - ISQua newsletters
 - Website announcements
 - Social media channels
- Support dissemination of conference information and calls for abstracts (where applicable)
- Contribute expertise to the scientific or educational programme, where agreed
- Provide speakers, moderators, or panel participants, subject to availability
- Share relevant ISQua resources, tools, or publications for inclusion in the conference

Republican Public Association “Association of Medical Workers, Independent Experts and Veterans in Healthcare ‘SHARAPAT’” will:

- Acknowledge ISQua as an official Knowledge Partner in conference materials, including:
 - Conference website
 - Programme materials
 - Marketing and promotional communications
- Include ISQua logo and profile in the conference partner section
- Provide opportunities for ISQua involvement in the programme (e.g. panel session, workshop, or keynote participation), where feasible

- Facilitate appropriate visibility for ISQua during the conference
- Share conference updates and outcomes with ISQua for wider dissemination

Joint Activities (Optional)

Where mutually agreed, both parties may also collaborate on:

- Joint sessions or symposia within the conference programme
- Development of post-conference outputs such as reports, webinars, or publications
- Identification of future collaborative projects in the field of healthcare quality and safety

Implementation

A designated representative from each organisation will oversee the implementation of this agreement.

ISQua Representative

Name: Sinead McArdle

Title: Business Development Manager

Contact: smcardle@isqua.org

Republican Public Association “Association of Medical Workers, Independent Experts and Veterans in Healthcare ‘SHARAPAT’” Representative

Name: Aizhan Bektengaliyeva

Title: Business Development Manager

Contact: sharapataktobe@gmail.com

Regular communication will take place as required to ensure the successful delivery of partnership activities.

Confidentiality

Each party undertakes that it shall not at any time disclose any confidential information concerning the business or activities of the other party outside the scope of this agreement. Confidential information may only be shared with employees, officers, or representatives who require such information for the purpose of fulfilling this agreement and who are bound by appropriate confidentiality obligations.

Costs

Unless expressly agreed otherwise, each party shall bear its own costs associated with activities undertaken as part of this Knowledge Partnership.

Duration of Agreement

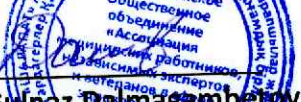

This agreement relates specifically to the international scientific-practical conference “**From Diagnosis to Outcomes: International Quality Standards and Patient Safety as a Source of Competitive Advantage for Healthcare Organizations**” and will remain in effect until completion of all associated partnership activities.

Any continuation of collaboration beyond this event will be subject to a separate agreement.

Termination

Either party may withdraw from this agreement by providing written notice to the other party. In such cases, both parties will work cooperatively to minimise any negative impact on the conference.
